MEMORANDUM FOR: See Distribution

SUBJECT : Task Force Meeting of 21 October 1975

1. Two new items were added to "Issue Options and Actions:"

Paper 15--How do we get sources and methods protective legislation passed?

Paper 16--What is the proper CIA/FBI relationship? What are the proper CIA relationships with other agencies, i.e., USSS, DEA, etc.?

2. Regarding the checklist of sensitive allegations, some discussion ensued regarding l.d. about the role of intelligence in a policy making process on exactly what is meant; did it mean possible misuse of intelligence, or failure of intelligence, or did it really mean consideration of the NIOs versus ONE. [redacted] agreed to rewrite the checklist of sensitive allegations and it will be posted for the next meeting.

3. [redacted] then distributed a document regarding "Issue Options and Actions" paper 8, subject, Impact of Various Legislative Restrictions on Foreign Intelligence Activities.

4. Review was then undertaken of the papers submitted to date regarding sensitive allegations. Eight have been submitted; four remain in preparation. [redacted]

[redacted] Input will be provided by the Office of Security and OIS. Regarding the document on detailees, it was recommended that a statement be added which notes that all detailees were involved in intelligence or intelligence-related activities. Additionally, a note would be added pointing out the fact that the detailees program does not include those Agency personnel assigned to [redacted] to perform authorized Agency functions.

5. At the next meeting we will consider the OLC paper on proposed legislation, as well as a number of other papers.
